

PFYC Sailing / Training / Social Programme 2019 Issue 1

All events are subject to change. In particular the training course will depend on whether we have participants and subsequent programme will depend on volunteers to do guard boat duties and the needs of any new sailors recruited. An updated programme will be issued periodically.
 Sunday morning sessions meet **10.00am** at the clubhouse and afternoon sessions start **14:00 on the water**.

If you intend to sail, **please be at the clubhouse at least one hour before the start time on the water** so that the guardboat crew can launch in good time.

Note – Start times for special events may differ. These will be notified in advance.

Discards – one for every three races sailed in a series.

If you cannot make your guardboat session, please make arrangements to swap with someone else. Please also notify pentlandfirthyc@gmail.com

A race counts if a course is set, a guardboat crew is present, and two or more boats start.

March	Day	Event
17th	Sunday	First Aid Course – details from Malcolm Lord
31st	Sunday pm	Guard Boat Preparation/ Club Boat Preparation
		Meet at 14.00 at Clubhouse
