

PFYC Sailing / Training / Social Programme 2018 Issue 3

All events are subject to change. An updated programme will be issued periodically.

Sunday morning sessions meet **10.00am** at the clubhouse and afternoon sessions meet **13:00 at the clubhouse**.

If you intend to sail, **please be at the clubhouse by the times above** so that the guardboat crew can launch in good time.

Note – Start times for special events may differ. These will be notified in advance.

Discards – one for every three races sailed in a series.

If you cannot make your guardboat session, please make arrangements to swap with someone else. Please also notify pentlandfirthyc@gmail.com

Guardboat crews should go on the water (weather permitting) if two (or more) boats are present.

A race counts if a course is set, a guardboat crew is present, and two or more boats start.

June	Day	OOD	Assistant	Event
